# Uptown Farmers' Market

Presented by Martinsville Uptown Revitalization Association

## Welcome Message

We at MURA would like to invite you to our 2010 season of the Uptown Farmers' Market. We would also like to welcome our new Farmers' Market Manager, Amber Goodin. You can find Amber at the Market on Wednesdays, Fridays, and Saturdays. Please feel free to touch base with her, and voice to her any of your comments or concerns.

We are trying a few new things at the Market this year. Our TGIF stage now has a permanent home at the Market and we would like to showcase local talent during our Saturday hours. Anyone interested in volunteering their talents, please contact Amber for available dates. Another change

that we are considering is the addition of a few evening hours on Monday or Tuesday afternoons. We want to know your feedback. Do you think this would be a worthwhile decision?

Due to the rise in grocery store prices, we are looking forward to our Market having a very profitable year. To do so, we need your help. Please share your interest and experiences with our Market to your friends and family. Encourage them to buy local. Let them know about our locally harvested fruits and vegetables, our fresh eggs and seafood, and our tasty herbs. Without you, our Market will not be a success. We need your support and patronage!

## Contact Info for Amber
