Uptown Farmers Market:

"Virginia Farmers' Market Week" is August 1st-7th. Set two goals for yourself this week....First, plan to "eat local" for one day and choose only fresh Virginia Grown fruits and vegetables, and delicious Virginia processed products for the entire day. And what better place to find those products than your Uptown Farmers' Market. Secondly, if you have never visited the Market, this is the perfect time to stop by and just check it out. It is located on the corners of Main, Moss, and Church Streets, across from the Martinsville Fire Dept. If you are a frequent customer, then introduce someone new to the Uptown Market. Tell them about your experiences and invite them to come join you on Wednesdays & Fridays from 6:30am-10:30am and Saturdays from 8am-12noon.
