

### Martinsville Uptown Monthly Newsletter

**This Saturday, July 11th is MURAL DAY at the Uptown Martinsville Farmers' Market.**

Piedmont Arts will be unveiling their mural at the Uptown Farmers Market on Saturday, July 11<sup>th</sup> at 10:00. Artist Betty LaDuke traveled from Oregon to Martinsville and Henry County in 2008 to work on the Farmers' Market Mural project for PAA. Betty took time to visit the Market and local farms for inspiration. Now, almost a year later, the outcome of her work is beautiful and vibrant four panel mural that showcases this community's heritage in agriculture. The children of MHC After 3 have contributed to beauty at the market as well. The students worked diligently over the last four months to create the 13 pieces of art that are featured on the Market's pillars.

**We hope that you will come, SHOP & CELEBRATE**
